

Turn Your White Paper Investment Into New Sales Leads

Increase ROI with *NASA Tech Briefs'* White Paper Library

We host your papers at www.techbriefs.com and produce full-contact leads as registered users access your content. White paper package includes:

- ➔ **Paper titles and your company logo rotated on the NASA Tech Briefs home page**
- ➔ **Inclusion of each paper in the library for a full year, with lead generation through online registration**
- ➔ **Bonus leads — your paper titles will be featured in a quarterly e-mail to over 100,000 opt-in engineering and management subscribers; users click to download your paper and you get a full-contact lead**

NASA Tech Briefs readers already download thousands of white papers annually in the form of Technical Support Packages, which provide greater details about the innovations highlighted in tech brief articles. Now we are expanding the service to feature papers from OEMs and other major R&D labs.

ADD A VIDEO for only \$200 additional per paper. We will include a link to your video in the white paper description and host the video for one year. Video downloads also are captured as leads. (Contact publisher for video file size and format specs.)

Send your white paper order and materials to production@abpi.net. Along with the digital document (PDF preferred), include a 100-word (max) summary of the paper's content. This summary will be published on the site with an image of the cover page. White papers should be educational or tutorial. Sales brochures or catalogs are not acceptable. Allow ten working days from receipt of order for posting of papers. The full amount for all papers will be invoiced in the month they are posted.

Don't have the time or staff to produce white papers? We can help. Tech Briefs Custom Media has the expert writers, designers, and over two decades of experience (we create all of the NASA white papers that accompany the agency's tech briefs). Call us for a quote.
